

Anxiety, thoughts, fear references - English handout

References				
Anxiety (noun)	Luke 8:37	Matthew 10:31	Luke 23:40	<p>NOTES: English words translate the original Greek words for anxiety and may not always be rendered “anxiety,” but could be “care,” “worry,” and so on. This reflects the range of meaning of the original word <i>AND</i> the connection between anxiety and how it shows up in life. For example, in thoughts characterized by <i>concern</i>; or in ruminating thought patterns, which we call <i>worry</i>, and so on.</p> <p>The same goes for fear’s noun and verb. Just be aware that in each reference, the Greek word is present behind the translation. The concepts are presented in English, which we can learn a lot from without a knowledge of Greek.</p> <p>Finally, remember there is good and bad anxiety, and good and bad fear! Bible study prompt: <i>Can you identify which is which in each passage?</i></p>
